

Jobs in Stanome Apps

App execution results are displayed similar to the jobs list window in a project and can be accessed by clicking the **VIEW JOBS**  icon (Fig 3).

The screenshot shows the Stanome web interface. The top navigation bar is green with the 'stanome' logo and user controls. The left sidebar contains icons for Dashboard, Uploader, PipelineLibrary, StanomeApps, Projects, and DataStore. The main content area displays the 'ConcordanceGT' app jobs list. It includes a table with columns for Job ID, Owner, Start Date, End Date, Status, and Report. All jobs shown are 'COMPLETED' and owned by 'kshama.goyal'.
